

HERO

Healthcare Equipment
Recycling Organization

What is HERO? What do we do?

HERO, Healthcare Equipment Recycling Organization. We do healthcare supplies. Affordably. HERO's mission is to collect and redistribute donated healthcare materials to benefit those in need, both locally and globally. All viable excess medical supplies and equipment are handled in an environmentally safe manner promoting recycling

Want to donate? Need to buy?

We accept donations of nearly any usable healthcare equipment and supplies. Donate to HERO instead of throwing it away! We sanitize, refurbish and redistribute items. Looking for an affordable alternative? Give us a call or visit us at our store. We may have what you are looking for!

The following items are always in high demand among our recipients.
